General Manager: - by Sandy Rhoads

I am very excited about the opportunity to serve as the FCCC General Manager. We have many planned improvements that we hope will contribute to a very positive experience for you this summer. Information on these improvements and upcoming golf and social events will be posted in this monthly newsletter. Our goal is to offer the FCCC newsletter online every month. Please send your email address to me at admassist.fccc@4siwi.com. If you have a family membership, please include an address for both you and your spouse.

For those who did not attend the Gala in April, the banquet room has been renovated. Many events have already been booked for meetings, showers, birthdays and anniversaries.

I am happy to introduce Laura Schafer, our new Administrative Assistant. She comes to us with a wealth of experience and is a great addition to our administrative team. Laura and I are looking forward to seeing you all this summer.

Superintendent Report – by Pete Hunter

The grounds crew has been hard at work this year. Course cleanup has been a monumental task. We hope to have that completed in the next week. We are on schedule with the greens fertilizer and chemical applications and the bunkers are being addressed by spraying the weeds. Additional sand will be replaced in the coming months. Green aeration will also be scheduled soon.

The new yard markers are in place and the ball washers will be painted and put in place soon. I hope you have noticed the efforts made to improve the landscaping. This will be an ongoing process in key areas over the course of the summer.

I am happy welcome back our grounds crew this year:

Joe Gass, Dale Hall, Jack Mills, William Burnett, Karl Mezo, Melinda Howard
