

FCCC inFOREmation

ENJOY
LABOR
DAY!

Observed on the first Monday in September, Labor Day pays tribute to the contributions and achievements of American workers. It was created by the labor movement in the late 19th century and became a federal holiday in 1894.

Member/guest four person scramble

Saturday, December 3, 2016 Christmas Party

Details coming later!!

FCCC IMPROVEMENTS

The FCCC Board continues to make improvements.

The old tree that shaded the putting green is still missed. It has been replaced by a beautiful garden of decorative grasses and assorted perennials.

The east deck is complete with a newly installed striking white molded rail. The landscaping will be in place soon.

After the roof project is complete look forward to a new paint job on the outside of the entire building.

Labor Day will be the closing day for the pool. Much energy and effort was committed to the pool improvements by board members and staff. Thanks for a great summer!

Many Southern Illinois children (over 18 students) learned to swim this summer thanks to our lifeguards. Rave reviews from the parents and/or grandparents reflected greatly on your abilities and our club. Your dedication ensured the pool was always open as advertised.

Thank you all!

A message from our Superintendent

Two things that are always true about the golf course maintenance industry:

1. Your job is never done!
2. The task at hand is not going to be easy!

Each year we have high expectations. The 2016 season presented many challenges, with many days above average temperatures, high humidity and excessive rainfall. It seemed like most of our time was spent cleaning up storm debris and trying to keep up with the mowing when it was dry enough.

With fall approaching, the cooler temperatures should slow the rate of growth of the grass. We will utilize this time to complete tasks that we were not able to do this summer.

FCCC LADIES' ASSOCIATION

September 21st there will be an early tee off at 8:00AM

Closing Day Scramble!

Tuesday, September 27
Sign up in the pro shop, scramble format
Business Meeting at 5:00 pm
