## FCCC IMPROVEMENTS

Please direct your attention to the improvements made this month by The FCCC Board:

- ✓ A hole-by-hole plan is in place to address weed control and sod needs around the greens. Holes #6 and #7 are good examples of his work.
- ✓ Tree removal on north side of the club entrance makes a welcomed change for beautification and safety.
- ✓ The new pool cover will protect the pool over the winter and reduce the amount of time it takes to get the pool ready next year.
- ✓ Redesign of bunker near #10 green has begun. Plans for a final redesign and seeding are in place.
- ✓ Several stumps on the course have been removed.
