### FCCC LADIES ASSOCIATION

Noon, Wednesday, April 26, 2017, –OPENING DAY

### DID YOU KNOW?

Honesty, integrity, courtesy; three words that have come to represent the spirit in which the game of golf is played.

### ETIQUETTE:

The integral part of the game is etiquette, defining golf's core values. It describes the manner in which the game of golf should be played to ensure all players gain maximum enjoyment.

In short, it's about "respect":

Respect for the course – leave the course as you would like to find it by repairing pitch-marks, replacing divots and raking bunkers.

Respect for your fellow players – be sportsmanlike and polite, stay by the green to watch them hole out, avoid distracting them, and playing at the same pace as those in front of you or allowing others to play through.

### FCCC Improvements!

#### Clubhouse:

- ❖ The dining room remodel is nearly complete. Look forward to a new ceiling, walls, carpet and window coverings in this area. The bar area will get a fresh coat of paint along with work on the ceiling and bar.
- ❖ The deck and railing off the bar has been replaced offering more seating and will be a great place to watch golfers end their round on hole number 18.

#### Golf Course:

- ❖ Parts have been ordered and a renovated irrigation pump station should be up and running this month. This station will maintain a static pressure on the course irrigation system at a certain set point pressure at all times.
